# A

MRZ code

Start

4

5

Scan your MRZ passport code  
Find your Machine Readable Zone (MRZ) code.  
MRZ is the two lines of text at the bottom of the passport.

6

Validate passport with NFC.  
Activate NFC on your device  
Touch your passport on the back of your device  
Select 'Start'.

Then select the 'add the adult ticket' option.

7

# A

8

Scan the ticket's QR code or insert the code manually. The ticket should appear on your screen.

9

10

On the next screen, you must authenticate quickly using NFC or Skip this step.

If you select validating your passport with NFC Then confirm with biometrics to proceed

11

Here you are! You can use the generated ticket QR or barcode to enter the venue!

# B

4

If the NFC validation fails or you Skip the NFC step, you will need to:

Add the purchased ticket code

5

Enjoy the game!

Visit a designated ticket booth outside the event to authenticate your identity.
